CORPORATION OF THE TOWNSHIP OF ADELAIDE METCALFE

BY-LAW NUMBER 34-2007

(To be known as the Comprehensive Zoning By-law of the Corporation of the Township of Adelaide Metcalfe)

WHEREAS the Township has two separate by-laws with regard to Zoning which apply to different areas heretofore incorporated into the Township through a county wide municipal restructuring order of the Province of Ontario coming into effect as of January 1, 2001;

AND WHEREAS it is desired to enact one new Comprehensive Zoning By-law to comprehensively deal with zoning throughout the Township and repeal the Comprehensive Zoning By-laws currently in effect.

AND WHEREAS this By-law conforms to the Official Plan for the Township of Adelaide Metcalfe;

NOW THEREFORE the Council of the Corporation of the Township of Adelaide Metcalfe enacts as follows:

SECTION 1.0 TITLE

This By-law shall be known as the “Comprehensive Zoning By-law of the Corporation of the Township of Adelaide-Metcalfe.”

- 1.1 All of the provisions of the Corporation of the Township of Adelaide Metcalfe Comprehensive Zoning By-law No. 3-97 and the Township of Metcalfe Zoning By-law No. 94-22 all as amended shall be and are hereby repealed.

2.0 ADMINISTRATION

This By-law shall be administered by the Township's Chief Building Official.

2.1 Application

The provisions of this By-law shall apply to all lands within the limits of the zone boundaries shown on the Zoning Schedules attached as Schedule "A" hereto. Within said areas, no person shall erect, alter, enlarge or use any building or structure in whole or in part, nor use any land in whole or in part, except in accordance with the provisions of this By-law.

2.2 Effective Date

This By-law shall come into effect as of the date of the final passing thereof by the Council of the Corporation of the Township of Adelaide Metcalfe subject to compliance with the provisions of The Planning Act, R.S.O. 1990 and amendments thereto.

2.3 Validity

If any provision of this By-law including anything shown on the Zoning Schedules attached as Schedule "A" hereto, is for any reason held to be invalid, it is hereby declared to be the intention that all the remaining provisions of the said By-law shall remain in full force and effect until repealed, notwithstanding that one or more provisions thereof shall have been declared to be invalid.

2.4 Repeal of Existing By-laws

All the provisions of By-law No. 3-97 of the former Township of Adelaide and By-law No. 94-22 of the former Township of Metcalfe, all as amended, shall be and the same are hereby repealed.

2.5 Contravention and Penalties

2.5.1 Every person who contravenes any of the provisions of this By-law is guilty of an offense and on conviction is liable:

- a) on a first conviction to a fine of not more than \$25,000.00; and
- b) on a subsequent conviction to a fine of not more than \$10,000.00 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted.

2.5.2 Where a corporation is convicted under Section 2.5.1 of this By-law, the maximum penalty that may be imposed is:

- a) on a first conviction a fine of not more than \$50,000.00; and
- b) on a subsequent conviction of a fine not more than \$25,000.00 for each day or part thereof upon which the contravention has continued after the date on which the corporation was first convicted, and not as provided in Section 2.5.1.

2.5.3 Penalties imposed by conviction under this Section shall be recoverable under the Provincial Offences Act.

2.6 Licenses and Permits

No person is entitled to a permit, certificate or licence for a proposed use of land or a proposed alteration, erection, enlargement or use of any building that is in violation of any provisions of this By-law.

2.7 Compliance with Other Legislation and Other By-laws

Nothing in this By-law shall serve to relieve any person from the obligation to comply with the requirements of the Ontario Building Code Act, any other legislation; the Building By-law, and any other by-law of the Corporation in force from time to time or from the obligation to obtain any licence, permit, authority or approval required by the Corporation or any other public agency or government body.

2.8 Certificate of Occupancy

No change may be made in the type of use of any land covered by this By-law or change in the type of use of any building located on any such land without a Certificate of Occupancy being issued by the Township's Chief Building Official to the effect that the proposed use is not contrary to this By-law. Notwithstanding the above, no Certificate of Occupancy shall be required for a farm residence, single detached dwelling, duplex dwelling, or a semi-detached dwelling or uses accessory thereto.

3.0 ZONES AND ZONING SCHEDULES

3.1 Establishment of Zoning Categories and Schedules

For the purposes of this By-law the land use zones listed in this section are hereby established. The maps attached as Schedule “A” shall be referred to as the Zoning Schedules. Schedules “A”, “B” and “C” are attached hereto are hereby incorporated in and are declared to form part of this By-law.

The location and boundaries of the zones are shown on the Zoning Schedules included in Schedule “A.” The zone symbols as set out below may be used in the text of this By-law or appear on the Zoning Schedules to represent the zones.

3.2 Interpretation of Zone Boundaries

Where any uncertainty exists as to the location of the boundary of any zone as shown on the Zoning Schedules, the following provisions shall apply:

- a) where any zone boundary is indicated as following a highway, street, lane, railway right-of-way, or watercourse, the boundary shall be deemed to be the centreline of the highway, street, lane, railway right-of-way or watercourse.
- b) where any zone boundary is indicated as approximately following lot lines as

existing as of the date of the passing of this By-law, the zone boundary shall be deemed to follow such lot lines.

- c) where any zone boundary is indicated as approximately parallel to an adjacent street and the distance from the street is not indicated, the zone boundary shall be deemed to being parallel to the street line, and the distance from the street shall be determined by the scale shown on the Zoning Schedules.
- d) where any zone boundary is indicated as approximately following a shoreline, the boundary shall be deemed to be the shoreline and, in the event that the shoreline changes, the zone boundary shall be deemed to have moved with the new shoreline limit.
- e) where any zone boundary is left uncertain after application of the provisions of subsections a), b), c) and d) above, then the boundary shall be determined by the use of the scale shown on the Zoning Schedules.
- f) the Environmental Protection Zone identified on Schedule “A” to this By-law is intended to identify general boundaries of existing or potential natural hazards. The Environmental Protection Zone boundaries can be interpreted more precisely by the appropriate Conservation Authority and the Chief Building Official at the time of the application for change of land use, subdivision of land and application for building permit without an amendment to this By-law.
- g) wherever it occurs, the municipal limit of the Corporation is deemed to be the boundary of the zone extending to it.

3.3 Special Provisions

Within any zone, special provisions may apply to specific parcels of land in the manner and to the extent as set out in the Special Provisions section of that zone. Reference to such special provisions shall be shown on the Zoning Schedules by the use of the symbol of the corresponding zone followed by a dash and number. Such number shall correspond to the subsection number found in the special provisions of the corresponding zone. Unless otherwise provided, all other provisions of that zone and this By-law shall apply to the land.

3.4 Holding Symbol

Where a zoning symbol shown on the Zoning Schedules has the prefix (H) followed by a dash and number, the holding provisions as set out in Section 5.13 and the subsection number found in the special provisions of the corresponding zone shall apply to the land identified within the zone boundary.

3.5 Temporary Use By-law

Where a zoning symbol on the Zoning Schedules has the prefix (T) followed by a dash and number, the temporary provisions as set out in Section 5.34 and the subsection number shall apply to the land identified within the zone boundary.

4.0 DEFINITIONS

In this By-law, unless the contrary intention appears, words importing the singular number or the masculine gender only shall include more persons, parties or things of the same kind than one, and females as well as males, and the converse.

In this By-law, the word “shall” is to be construed as always being mandatory and not directory.

In this By-law:

“Campground or Trailer Park” shall mean the use of land for the purpose of camping, and buildings accessory thereto, including the locating, keeping or maintaining of any tent, motor home, travel trailer, truck camper or other recreational vehicle, but shall not include a mobile home or any dwelling or dwelling unit designed, used or intended for residential occupancy except for the dwelling or dwelling unit of the operator of the campground.

“**Carwash**” shall mean a building that is used for the washing of motor vehicles by mechanical means, including pressurized wands.

“**Centreline**” shall mean the centreline of a right-of-way, lane, street or highway.

“**Chief Building Official**” shall mean the officer or employee of the Corporation having the statutory duty of enforcing the provisions of the Building By-law of the Corporation and the Ontario Building Code Act.

“**Commercial Plaza**” shall mean a building or group of buildings containing six (6) or more tenancies designed, developed, owned and managed for commercial retail or office use but does not include a ‘motel or hotel’, a ‘restaurant, including a drive-thru facility’ or an ‘automobile service station’.

“**Commercial Recreation**” shall mean the use of an establishment, for a fee, for the provision of athletic and amusement facilities involving the active participation of the user-public in a sports-related activity and shall include, for example, such facilities as racquet courts, fitness club, billiard parlour, bowling alley, golf courses and driving range, skating or curling surfaces, riding stables, water sports, go-kart track or amusement parks, but shall not include an amusement arcade.

“**Conservation**” shall mean the use of land or water for the purpose of planned management of natural resources or animal life.

“**Convenience Retail**” shall mean a retail outlet serving the day-to-day, non-comparison shopping needs of a consumer including, for example, a variety store, bake shop, drug store or small food/grocery store, and shall also include a florist, photo depot and video film outlet, but except for a video film outlet, shall not include any retail outlet having its main product line involving hardware~~s~~, housewares, apparel, footwear or fashion accessories.

“**Corporation**” shall mean The Corporation of the Township of Adelaide Metcalfe.

“**Council**” shall mean the Municipal Council of the Corporation.

“**County**” shall mean The Corporation of the County of Middlesex.

“**Custom Workshop**” shall mean a building or part thereof where the manufacturing of small quantities of articles is performed, or a service is provided, by a tradesperson requiring manual or mechanical skills.

“**Day Care Facility**” shall mean a facility licensed under Provincial legislation which accommodates a minimum of six children, for the purpose of providing temporary care for a continuous period of time not exceeding 24 hours.

“Domestic and Household Arts” shall mean those uses conducted within a single detached dwelling and include uses such as: dressmaking; academic instruction and the teaching of music, dance, and arts and crafts to not more than six pupils at any one lesson; tailoring; painting; sculpting; furniture refinishing and repair; and making or repairing personal effects or toys.

“Drive-Thru Facility” shall mean a building that is designed to allow drivers to remain in their vehicles before and during an activity on the site. Drive-thru facilities also include facilities designed for the rapid servicing of vehicles, where drivers may or may not remain in their vehicles, but where the drivers usually either perform the service for themselves, or wait on the site for the service to be rendered.

“Dwelling” shall mean a building containing one or more dwelling units but shall not include a mobile home or major recreational equipment.

“Dwelling Unit” shall mean a room or suite of habitable rooms which:

- a) is located in a building;
- b) is occupied or designed to be occupied by a household as a single, independent and separate housekeeping establishment;
- c) contains both a kitchen and a bathroom for the exclusive common use of the occupants thereof; and,
- d) has a private entrance leading directly from outside the building or from a common hallway or stairway inside the building.

“Erect” shall mean the building, construction, reconstruction and relocation of a building and, without limiting the generality of the work, shall also include:

- a) any preliminary physical operation, such as excavating, infilling or draining;
- b) altering any existing building by an addition, enlargement, extension or other structural change; and
- c) any work for the doing of which a building permit is required under the Ontario Building Code Act.

“Existing” shall mean a use or building existing on the day of the passing of this By-law.

“Farm Business” shall mean a business which is accessory to and used in conjunction with a farm operation.

“Farm Vacation Business” shall mean a business which is accessory to a farm operation and which provides accommodation within a single detached dwelling for guests participating in farming activities.

“Financial Establishment” shall mean a building, or part thereof, which is used to provide for financial services in which money is deposited, kept, lent or exchanged, including accessory clerical functions and shall include a bank, trust company, credit union or other similar banking service.

“Food Store” shall mean a building with a minimum floor area of 2,000 square metres which is used for retailing grocery and household items.

“Forestry” shall mean the raising and harvesting of wood for purposes such as fuel wood, pulp wood, lumber, Christmas trees and other forest products.

“Garden Suite” shall mean a one-unit detached residential structure containing sleeping, bathroom and kitchen facilities that is ancillary to an existing residential dwelling and that is designed to be portable.

“Gas Bar” shall mean a place where motor vehicle fuel and lubricants are sold for retail but where no provision is made for the repair or maintenance of motor vehicles.

“Golf Course” shall mean a public or private area operated for the purpose of playing golf but shall not include a miniature course facility or a commercial driving range which is not ancillary to a regulation golf course.

“Greenhouse” shall mean a building for the growing of flowers, plants, shrubs, trees and similar vegetation which are not necessarily transplanted outdoors on the same lot containing such greenhouse, but are sold directly from such lot at wholesale or retail.

“Ground Floor Area” shall mean the area of a building measured from the outside of its exterior walls at grade.

“Group Home” shall mean a residence designed for the accommodation of three to ten persons, exclusive of staff, living under supervision in a single detached dwelling and who, by reason of their emotional, mental, social or physical condition or legal status, require a group living arrangement for their well being. The group home shall be licensed or funded under an Act of the Parliament of Canada or the Province of Ontario.

“Home and Auto Supply Store” shall mean a building devoted to the sale of merchandise for the home and automobile including such goods as paint, hardware, electrical, plumbing, housewares, home appliances, sporting goods, lawn and garden supplies, and automobile

supplies, and may include associated automotive repair and garden centre.

“Home Business” shall mean a vocational use conducted within a single detached dwelling.

“Home for the Aged” shall mean a home for the aged as defined under the Homes for the Aged and Rest Homes Act.

“Institutional Use” shall mean the use of land or buildings for public or social purposes, but not for commercial purposes, and may include governmental, religious, educational, charitable and other similar uses.

“Kennel” shall mean any premises where more than three dogs or other domestic animals are bred, sold or kept for sale, boarded or trained.

“Landscape / Open Space” shall mean open unobstructed space at grade on a lot which is suitable for the growth and maintenance of grass, flowers, bushes, trees and other landscaping materials, both natural and artificial, and includes a surfaced walkway or patio, but does not include any driveway or ramp, whether surfaced or not, any curb, deck, retaining wall, parking area or any open space beneath or within any building or structure.

“Light Industrial” shall mean the use of land, buildings, or structures for the manufacturing, assembling, or processing of component parts to produce finished products suitable for retail, wholesale or service trade and including repairing; servicing; distributing; warehousing; storing or adapting for sale any good, substance, article or thing but excluding any operation which creates a nuisance as a result of the emission of any noise or air pollution that can be heard, smelled or otherwise detected outside of the building or structure in which the operation is conducted,

“Light Industrial Use” shall mean a use that does not include or require direct consumption of water and where the only waste water discharges are from auxiliary facilities such as washrooms, the indirect cooling of machinery and or pressure testing equipment and excludes any operation that creates a nuisance as a result of the emission of any noise or air pollution that can be heard, smelled or otherwise detected outside of the building or structure in which the operation is conducted. Light industrial uses include, but is not limited to, warehousing, wholesaling and tradesman or contractor’s establishments, but does not include on-site manufacturing or processing.

“Livestock Facility” shall mean a barn, building or permanent structure where livestock and/or poultry are intended to be housed, including beef feedlots, anaerobic digesters, and the associated manure or material storage facilities.

“Livestock Housing Capacity” shall mean the total maximum number of livestock that can be accommodated in a livestock facility at any one time, even if currently empty but

able to house livestock.

“Livestock Unit” shall mean the equivalent values for various types of animals and poultry based upon manure production and production cycles.

“Loading Space” shall mean a space or bay located on a lot which is used or intended to be used for the temporary parking of any commercial vehicle while loading or unloading goods, merchandise, or materials used in connection with the main use of the lot and which has an unobstructed access to a street or lane.

“Lot” shall mean a parcel of land which can be legally conveyed pursuant to section 50 of the Planning Act.

“Corner Lot” shall mean a lot situate at the intersection of and abutting two streets, or parts of the same street, the adjacent sides of which street or streets (or in the case of a curved corner, the tangents of which) contain an angle of not more than 135 degrees.

“Through Lot” shall mean a lot bounded by streets on two opposite sides.

“Lot Area” shall mean the total horizontal area within the lot lines of a lot.

“Lot Coverage” shall mean that percentage of the lot area covered by the total ground floor area of all buildings.

“Lot Line” shall mean the line formed by the boundary of any lot.

“Front Lot Line” shall mean the lot line abutting a street. In the case of a corner lot, the shorter lot line abutting a street shall be deemed to be the front lot line and the longer lot line abutting a street shall be deemed to be a side lot line. In the case of a through lot, one of the lot lines abutting a street shall be deemed to be the front lot line and the other lot line abutting a street shall be deemed to be the rear lot line.

“Rear Lot Line” shall mean the lot line farthest from and opposite to the front lot line, or in the case of a triangular lot, shall be that point formed by the intersection of the side lot lines.

“Side Lot Line” shall mean a lot line other than a front lot line or rear lot line.

“Lot Width” shall mean the horizontal distance between the side lot lines of a lot measured at the required front yard. Provided, however, that in the case of a lot which has a required front yard of less than 6 metres, the lot width shall be measured at the 6 metre front yard distance.

“Main Building” shall mean the building designed, used or intended for the principal use on a lot.

“Major Recreational Equipment” shall mean either a portable structure designed and built to be carried by a motor vehicle, or a unit designed and built to be transported on its own wheels, for purposes of providing temporary living accommodation or recreational enjoyment for travel and shall include, for example, motor homes, travel trailers, tent trailers, boats, snowmobiles or other like or similar equipment, excluding bicycles.

“Manufacturing” shall mean the production, compounding, processing, packaging, crating, bottling, packing or assembling of raw or semi-processed or fully-processed goods or materials, and shall include a recycling business having its operation completely contained within an enclosed building.

“Exterior Side Yard” shall mean a yard that extends from the front yard to the rear yard measured at right angles to the side lot line abutting a street line.

5.0 GENERAL PROVISIONS

5.1 Accessory Buildings

5.1.1 Unless otherwise provided for in this By-law, no accessory building shall be used for human habitation.

5.1.2 An accessory building may be located in a required rear yard or a required side yard (excluding exterior side yard); provided, however, such building shall not be located closer than 1.0 metre from the lot line.

5.1.3 The maximum building height for an accessory building shall be 5.0 metres.

5.2 Bed and Breakfast Establishment and Farm Vacation Business

Where listed as a permitted use, a bed and breakfast establishment or farm vacation business shall be conducted within a single detached dwelling provided that:

- a) The bed and breakfast establishment or farm vacation business is carried out by a person who resides in the dwelling except for employment services that are necessary for housekeeping purposes.
- b) Each guest room shall have a minimum building floor area of 10.5 square metres.
- c) Guest rooms shall not be permitted within an attic.
- d) A bed and breakfast establishment or farm vacation business shall have a maximum of three guest rooms for overnight accommodation.

5.3 Consolidated Lot Development

Where two or more abutting lots under one identical ownership are consolidated for the purpose of development, the internal lot lines of the original lots shall not be construed to be lot lines for the purposes of any zoning regulations subject to compliance with all other regulations of this By-law relative to the consolidated lot and its external lot lines.

5.4 Construction Uses

Any part of a lot, other than a sight visibility triangle regulated in Section 5.31, may be used for temporary buildings associated with construction work occurring on such lot, provided that the building remains only for the duration of construction work or as long as the building permit for construction is valid, whichever comes first. No temporary building intended for construction work purposes shall be used for residential purposes.

5.5 Dwellings per Lot

Unless otherwise provided for in this By-law, in any zone where a single detached dwelling is permitted, not more than one such residence or dwelling shall be permitted on a lot.

5.6 Exemption to Building Height Restriction

In this By-law, regulations prescribing the maximum building height shall not apply to radio or television receiving or transmitting equipment, grain elevators, windmills, farm silos or barns, water towers and domes not used for human occupancy.

5.7 Existing Lots and Uses

Existing lots with less than the required lot area or lot width may be used, and buildings erected or altered thereon, for the purposes permitted in the zone in which they are situated, subject to compliance with all other regulations of this By-law. For the purposes of this section, an existing lot which has been increased in lot area or lot width through consent approval under the Planning Act shall be deemed to be an existing lot.

Uses existing on the date of the passing of this By-law that are not consistent with the uses permitted in the zone in which they are situated are deemed to be legal non-conforming pursuant to the Planning Act.

5.8 Exploration and/or Production of Natural Gas or Crude Oil

This By-law shall not apply to the use of any land for the exploration and/or the production of natural gas or crude oil, or to the erection, alteration or use of any building or accessory thereto provided the lot coverage, setback and yard requirements of the zone in which such land or building is located are met.

5.9 Expropriations and Dedications

A lot altered as a result of expropriation or dedication to a public authority or public utility and having less than the minimum lot area, or minimum lot width required in this By-law, may be used and a building may be erected, altered or used thereon, subject to compliance with all other requirements of this By-law.

5.10 Fences

5.10.1 A fence may be permitted in any required yard with the exception of the front yard of any lot.

5.10.2 Where a commercial or industrial use is proposed to be constructed or expanded abutting a residential zoned, a visual screen along the property line

is required to be constructed by the owner of the commercial or industrial uses.

5.11 Farm Business

Where listed as a permitted use, a farm business may be conducted within a single detached dwelling, a farm building or an accessory building, and shall be limited to welding, seed dealing, small machinery repair, cabinet making, furniture making or repair, carpentry, the sale and service of equestrian equipment and a tradesperson or contractor's establishment provided that:

- a) With the exception of one additional employee, the farm business is carried out only by a person who resides on the farm;
- b) Where the farm business is located within a single detached dwelling a maximum of 25 per cent of the building floor area shall be devoted to such use;
- c) Where the farm business is located within an accessory building, a maximum of 100 square metres of building floor area shall be devoted to such use; and,
- d) No outdoor storage shall be permitted unless fully enclosed by a fence or other appropriate enclosure in order that such storage is not visible from a street.

5.12 Frontage on a Street

No person shall erect any building in any zone unless the lot upon which such building is to be erected has frontage on a street which has been assumed by the Corporation, the County, the Province of Ontario or some other public authority, and is maintained by such authority in such a manner to permit vehicular traffic year round. Provided, however, that in the case of a lot separated from a street by land owned by the County or Corporation which land is held by such government agency for future road widening purposes or a reserve, a building may be erected upon such lot.

5.13 Holding (H) Zone Provisions

5.13.1 Where any of the zone symbols as described in Section 3.1 of the By-law are preceded by the Holding Symbol (H) as shown on the Zoning Schedules, the conditions and process related to the removal of the (H) shall be in accordance with the provisions as set out in the Official Plan for the Township of Adelaide Metcalfe.

5.13.2 The Holding Symbol (H) shall be removed in accordance with the following:

- H-1 *West Half of Lot 26, Concession 2, S.E.R. (Map 24):* At such time as the Council of the Township of Adelaide Metcalfe is satisfied that an appropriate subdivision agreement has been entered into, Council shall remove the Holding (H) symbol according to the requirements of the Planning Act and the land may be used for those purposes and in accordance with the regulations of the Urban Residential (UR) Zone.

5.13.3 Prior to the removal of the Holding Symbol (H) no person shall use any land or erect, alter or use any building except those uses or buildings which legally existed on the day of the passing of this By-law.

5.14 Home Business

Where listed as a permitted use, a home business for professional use, domestic and household arts, personal services and private home day care may be conducted within a single detached dwelling provided that:

- a) With the exception of one additional employee, the home business is carried out only by a person who resides in the dwelling unit;
- b) A maximum of 25 percent of the building floor area of the dwelling unit shall be devoted to the home business;
- c) No outdoor storage shall be permitted; and,
- d) All home businesses shall be located only within the dwelling unit.

5.15 Loading

5.15.1 Each loading space shall have a minimum height clearance of 4.0 metres and shall be at least 3.0 metres wide and 9.0 metres in length.

5.15.2 Loading spaces shall be located in a building or adjacent to a building and shall have unobstructed ingress and egress for delivery vehicles to and from a street across the same lot as that upon which the building is located, provided that no loading space shall be located in a required front yard.

5.16 Loss by Natural Cause

Where a building is accidentally destroyed or damaged by fire or other natural causes, reconstruction or replacement of the said building to the same external dimensions and on the same site shall be permitted provided reconstruction or replacement of the said building is contained entirely on the lot on which it is being erected except where such a structure is located within the Environmental Protection (EP) Zone is destroyed or damaged either by flooding or erosion. In such case, the Minimum Distance Separation I and II (MDS I and II) noted in Section 5.17 will not apply.

5.17 Minimum Distance Separation

Notwithstanding any other provisions of this By-law new residential, institutional, commercial, industrial or recreational uses shall comply with the Minimum Distance Separation I (MDS I) calculated using the Guidelines approved by the Province of Ontario (as amended from time to time).

Notwithstanding any other yard or setback provision of this By-law, no livestock facility shall be erected or expanded unless it complies with the Minimum Distance Separation II (MDS II) calculated using the Guidelines approved by the Province of Ontario (as amended from time to time).

5.18 Mobile Home Prohibited

It shall be prohibited to erect or use a mobile home in any zone for any purpose unless the use of a mobile home is specifically permitted within such zone.

5.19 Moving Buildings

No building shall be moved, in whole or in part, to or within the Township of Adelaide Metcalfe unless every portion of the building is made to conform to all regulations of this By-law applying to the zone in which it is to be located.

5.20 Non-Complying Uses

Where a building has been lawfully erected prior to the effective date of this By-law on a lot having less than the minimum lot width or minimum lot area, or having less than the

minimum setback, or minimum yard, or having more than the maximum building height permitted by this By-law; the said building may be used, altered, repaired or renovated provided that the use, alteration, repair or renovation does not further encroach within a minimum setback or yard required by this By-law; and subject to compliance with all other regulations of this By-law.

Provided however that where a building has been erected on a lot created as a result of a consent being given following the effective date of this By-law and having less than the minimum setback or minimum yard; or having more than the maximum building height required by this By-law, the said building may be used, repaired, renovated or replaced provided the external dimensions of the building continue as they were existing on the day the lot was created.

5.21 Non-Conforming Uses

Nothing in this By-law shall apply:

- a) to prevent the use of any land or building for any purpose prohibited by this By-law if such land or building was lawfully used for such purpose on the day of the passing of this By-law, so long as it continues to be used for that purpose; or,
- b) to prevent the erection or use for a purpose prohibited by this By-law of any building for which a permit has been issued under the Ontario Building Code Act, prior to the day of the passing of the By-law, so long as the building when erected is used and continues to be used for the purpose for which it was erected and provided that the permit has not been revoked under the Ontario Building Code Act; or,
- c) to prevent the strengthening to a safe condition of any building or part of any such building which does not comply with this By-law, so long as such alteration or repair does not increase the height, size or volume or change the use of such building.

5.22 Outdoor Storage Regulations

- 5.22.1 Where outdoor storage is permitted by this By-law, such outdoor storage shall be located only in the side or rear yard.
- 5.22.2 The minimum setback from any lot line for outdoor storage shall be not less than the required minimum side or rear yard regulation of the zone in which the outdoor storage is located.
- 5.22.3 If the outdoor storage is located in an industrial zone, the minimum setback of any outdoor storage shall be 3.0 metres from the side or rear lot line, where such side or rear lot line abuts an industrial zone.

5.22.4 In the case where an outdoor storage area abuts a residential zone, a visual screen as set out in section 5.36 shall be required to be provided along the entire property line abutting such residential zone.

5.23 Parking

5.23.1 The parking requirements of this By-law shall not apply to any existing building if the floor area of the building is used for a purpose which does not require additional parking spaces. Where a use is changed, intensified or the building enlarged in floor area, then this By-law shall be used to calculate the new parking requirement.

5.23.2 Where more than one use is accommodated on one property the required parking spaces shall be the sum of the required parking spaces for each use. A reduction in the total parking spaces required may be permitted if it can be proven to the municipality's satisfaction that parking spaces can be shared by users with different schedules.

5.23.3 If the calculation of the required parking spaces results in a fraction, the required parking spaces shall be the next highest whole number.

5.23.4 Parking spaces required by this By-law shall be located on the same lot as the use requiring such parking spaces.

5.23.5 No parking space for a single detached dwelling, accessory dwelling unit, bed and breakfast establishment, farm vacation business, home business or group home shall be located within the minimum front yard setback and minimum external yard setback.

5.23.6 No parking space shall be located closer than 3.0 metres to the front lot line and the exterior side lot line or 1.0 metre to all other lot lines.

5.23.7 Parking lots will provide access to parking lots on neighbouring properties whenever possible.

5.23.8 The width of a driveway to a parking space or parking lot shall be between 3.0 metres and 6.0 metres.

5.23.9 Each parking space shall have a minimum width of 2.5 metres and a minimum depth of 5.5 metres.

5.23.10 Each parking space and access to each space shall be surfaced in a dust free material and be usable year round.

5.23.11 For every 5 required parking spaces, a deciduous tree a minimum of 3.0 metres in height must be planted adjacent to the parking area.

- 5.25.5 Balconies may project into any required yard but not more than 2.5 metres.
- 5.25.6 Awnings, atriums and bay windows may project into any required yard but not more than 1.0 metre.

5.26 Permitted Uses in Zones

No person shall use any land or erect or use any building for any purpose other than for one or more of the uses listed under the heading “Permitted Uses” for the zoning category in which the lot is zoned and located. Accessory uses shall be deemed to be permitted uses in

all zones.

5.27 Prohibited Uses

With respect to any lands to which this By-law applies, all uses are prohibited unless specifically permitted in this By-law.

Provided however, that in the case of a use specifically listed as a prohibited use in this By-law, which may also be generally permitted in the Permitted Uses section of the zone, the provisions of the prohibited uses shall prevail and take precedent.

5.28 Regulations

No person shall use any land or erect or use any building or structure which does not conform to the provisions set out in this Section and to the regulations set out under the heading “Regulations” for the zoning category in which the lot is zoned and located.

5.29 Setbacks from Provincial Highways, County Roads, Railways and Utilities

5.29.1 Notwithstanding any other provision of this By-law, the following regulations shall apply to setbacks from Provincial Highways, County Roads, railways and utility corridors:

- a) Residential buildings shall be setback 14.0 metres from the property line of the Highway 402 Right-of-Way. Commercial and industrial buildings shall be setback 14.0 metres from the property line of the Highway 402 Right-of-Way.
- b) All buildings shall be setback 38.0 metres from the centre line of a County Arterial Road, and 33.0 metres from the centre line of a County Collector Road.
- c) Notwithstanding Section 5.29.1(b) the setbacks stipulated within the UR, CC, VC, HR, VR and HC Zones shall apply to County Arterial and County Collector Roads.
- d) In the case of a lot which fronts a street and is located between two existing buildings both of which encroach into the required front yard and are not more than 18 metres apart, a building may be located on such lot so that the front face of the building is no closer to the street line than the front face of that existing building which is located furthest from the street line.
- e) Residential buildings shall not be located closer than 30.0m to a railway right-of-way.

- f) Residential buildings shall not be located closer than 20m to the centreline of a gas or oil pipeline. No institutional use shall be permitted within 200m of the centreline of a gas or oil pipeline.

5.30 Commercial Plazas Prohibited

No land or building shall be used as a commercial plaza.

5.31 Sight Visibility Triangle

5.31.1 Corner Lots on Municipal Streets

In all zones, on a corner lot, no building shall be erected and no vehicle shall be parked in such a manner as to materially impede vision above a height of 0.5 metres above the centreline grade of the intersecting streets in the triangular area bounded by the street lines of the corner lot and a line from the points along said street lines a distance of 7.5 metres back from the point of intersection of the said street lines.

5.31.2 Railway Grade Crossings

- a) In all zones, on a lot abutting a railway where the railway and a street intersect at the same grade, no building shall be erected and no vehicle shall be parked in such a manner as to materially impede vision above a height of 0.5 metres above the centreline grade of the intersecting street in the triangular area bounded by the right-of-way limit of the railway and the street line and a line from the points along such right-of-way limit and such street line a distance of 45 metres back from the point of the intersection thereof.
- b) Where such railway and street intersect at an unprotected crossing, the sight visibility triangle shall be increased to a distance of 400 metres measured along the railway right-of-way and 90 metres measured along the street line or such greater distance required by the Canadian Transport Commission Regulations.

5.31.3 Street Intersections with County or Provincial Roads

- a) In all zones, on a corner lot having frontage on a County or Provincial Road, no building shall be erected and no vehicle shall be parked in such a manner as to materially impede vision above a height of 0.5 metres above the centreline grade of the intersecting streets in the triangular area bounded by the street lines of the corner lot and a line

from the points along said street lines a distance of 30.0 metres back from the point of intersection of the said street lines.

- b) The provisions Section 5.31.3 (a) shall not apply to built-up areas as defined herein, Towns, Villages or Cities as defined in the Highway Traffic Act. The provisions of Section 5.31.1 shall apply in these areas. For the purpose of this Section, a “built-up area” means the territory contiguous to a highway and not within a City, Town or Village where:
- i) not less than 50% of the frontage on one side of the highway, for a distance of not less than 200 metres contains separate lots and such lots are occupied by non-agricultural uses including non-farm residential uses, businesses, schools or churches; or
 - ii) not less than 50% of the frontage on both sides of the highway for a distance of not less than 100 metres contains separate lots and such lots are occupied by non-agricultural uses including non-farm residential uses, businesses, schools or churches.

5.32 Signs

The provisions of this By-law shall not apply to prevent the erection, alteration or use of a sign provided such sign complies with the By-laws of the Township and is accessory to the use of the land on which it is located.

5.33 Storage of Unused Motor Vehicles

Unless otherwise permitted by this By-law, motor vehicles without affixed and validated licence plates for the current year shall not be parked or stored in any zone other than within a completely enclosed building.

5.34 Temporary Uses

Nothing in this By-law shall prevent further use of any land, or the erection of or use of any building, trailer or structure for a construction camp, work camp, temporary accommodation, tool shed, scaffold or other building or structure incidental to and necessary for construction work on the premises, but only for so long as such use, building or structure is necessary for such construction work which has not been finished or abandoned

- 5.34.1 Where the symbol “(T)” followed by a zone symbol listed in Section 5.34.2 appears on Schedule “A”, it indicates that a Temporary Use By-law has been passed in accordance with the Planning Act, R.S.O, 1990, C.P.13, to permit the
