What is a Budget?

The budget is a key planning document in achieving the Township's strategic priorities.

Our Challenge

- ▶ Meet the needs of as many of our “customers” as possible in a fiscally responsible way.
- ▶ Complicated by:
 - The needs and wants of our residents vary from person to person
 - Misperceptions about which services are under the control of the local government

Role of Adelaide Metcalfe

- ▶ Determine revenue requirements for the Township through budgeting
- ▶ Set municipal tax rates
- ▶ Collect property taxes for:
 - Township of Adelaide Metcalfe
 - County of Middlesex
 - School boards

Distribution of Property Taxes Collected by Adelaide Metcalfe, 2025

Budget Development - Working Group

Budget Development

4

NOVEMBER

- Draft budget prepared and presented to the working group
- Budget working group to make recommendation to Council
- Final assessments to be received from MPAC

5

DECEMBER

- Detailed budget package prepared for Council
- Optional one-on-one Council and treasurer meetings scheduled to review the budget package
- Draft operating and capital budget presentation to Council
- Departments address Council and community questions and comments
- Final budget and related by-laws presented to Council for approval

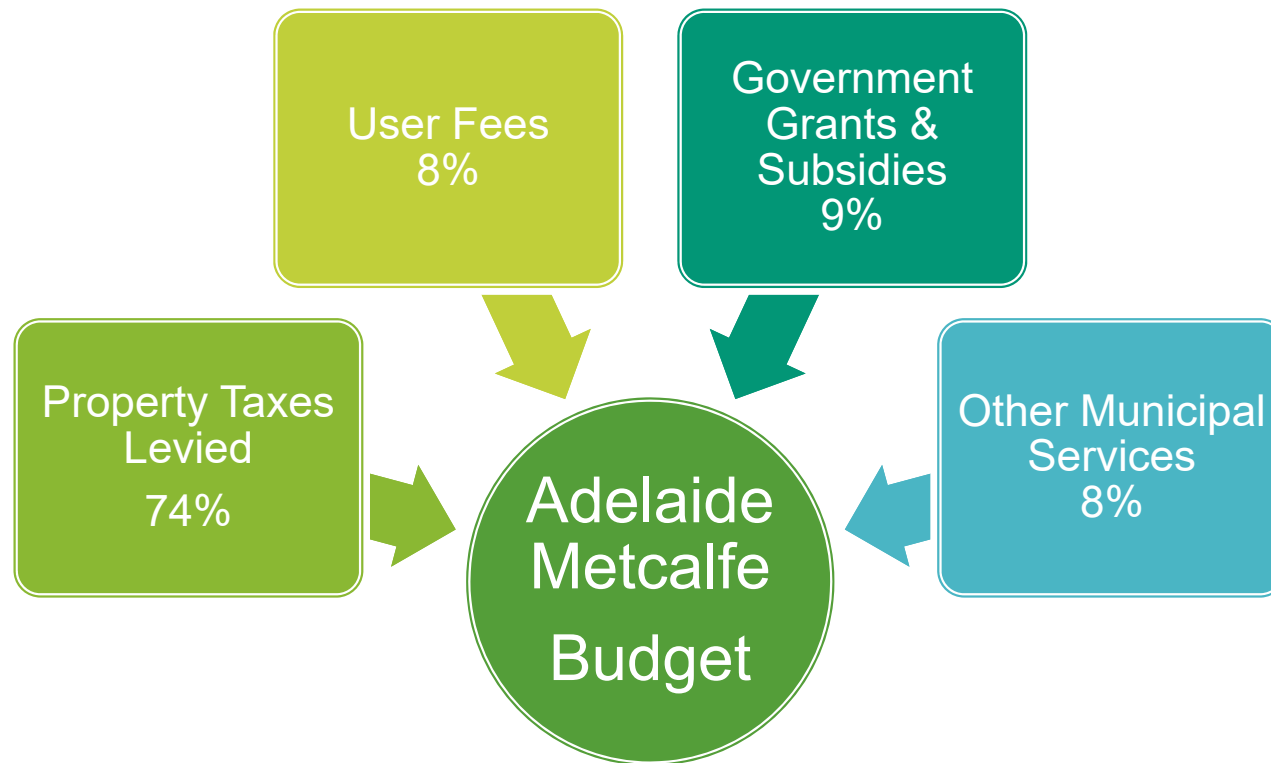

Budget Funding - Revenue

- ▶ Municipalities use a variety of revenue sources to pay for a wide range of services that residents and businesses depend on and use regularly, including:
 - Property tax
 - Grants from Federal and Provincial Governments
 - Water/Wastewater User Fees
 - General User Fees - Revenue from services such as recreation, planning applications, building permits, etc.
 - Transfers from reserve and reserve funds
 - Other miscellaneous revenues

Sources of Revenue

Property Tax Calculation

Assessment

- ▶ Property assessment is the basis upon which municipalities raise taxes. A strong assessment base is critical to a municipality's ability to generate revenues.
- ▶ MPAC has delivered the final 2026 assessment

Who is paying?

2026 Projected Revenue, by Assessment Type

How do we compare?

Reserve & Reserve Funds

Reserve and reserve funds are critical...

► Why are they critical?

- To pay bills (liquidity)
- To cover liabilities and emergencies
- For effective asset management (ensure funds are available to renew or replace assets while “charging” the appropriate taxpayer)

► What happens without Reserve and Reserve Funds?

- Costs will increase (debt service costs, short-term borrowing costs, larger contingency budgets)
- Reduction of capital works
- Loss of flexibility to take advantage of opportunities
- Could have liquidity problems

Operating vs. Capital Budgets

Both provide for Township programs & services

Types of expenditures & sources of financing differ

Operating Budget provides for the *annual* cost to deliver services & *maintain* capital assets

Capital provides for investments in infrastructure that provide long-term benefits

- Projects can span multiple years
- New infrastructure
- Renewal & refurbishment

Considerations in Developing the Budget

- ▶ Enhancing transparency, accountability and incorporating public feedback
- ▶ Managing competing priorities
- ▶ Delivery of a fiscally responsible budget
- ▶ Ramifications of the continued delay in the property tax reassessment
- ▶ Aging infrastructure and closing the infrastructure gap
- ▶ Inflationary pressures
- ▶ Capital and operating carryforward project costs
- ▶ Commercial corridor policy realignment

The Big Picture

- ▶ 5.08% Tax Rate Increase
- ▶ 7.51% Tax Levy Increase
- ▶ \$7,471,094 in Operating Costs
- ▶ \$2,356,526 in Capital Projects
- ▶ \$9,827,620 Total Municipal Budget

2026 OPERATING BUDGET HIGHLIGHTS

Operating Budget Framework

Step 1 - Base

- Costs required to maintain existing service levels (salaries, benefits, inflation, utilities & contracted services), less reductions for efficiencies and other savings

Step 2 - Mandatory/Legislative

- Non-discretionary costs imposed by others

Step 3 - Annualization

- Additional costs of prior year commitments for full-year implementation

Step 4 - Growth

- Costs required to maintain existing levels of service for the Township's increased population

Step 5 - Enhancements

- New services or enhanced service levels

Operating Highlights - Impacts

- ▶ No property assessment phase-in growth
 - Still based on 2016 valuations
- ▶ OMPF (Ontario Municipal Partnership Fund) increase of 8.7%
- ▶ OCIF (Ontario Community Infrastructure Fund) increase of 10%
- ▶ Cost of living increase for compensation programs of 2%
- ▶ Policing Costs: OPP, a significant increase of 11% (\$50,224)
- ▶ Conservation authorities increase of 2.78%
- ▶ Insurance increase of 3%
- ▶ Automated garbage pickup and disposal increase of 2.0%
- ▶ Ontario CPI (Consumer Price Index Q3 to Q3) 2.0%

Operating Highlights - Impacts

- ▶ Staff compensation market alignment
 - Implemented on Jan 1, 2025
 - 2026 is the first full year of step increases for those eligible, based on performance
- ▶ Potential Ontario Land Tribunal Hearing - site plan application
- ▶ Centre Rd servicing agreement
 - Interim agreement complete
 - Working alongside Strathroy-Caradoc to reach a final agreement
